

Deferred Compensation Portal Access Request Form

This form is used to request or remove online access to the Homestead Advisers nonqualified deferred compensation (NQDC) plan portal.

Portal access should **NOT** be requested for individual plan participants. Portal access should only be requested for the cooperative/company representatives that are authorized to act on, or view, the cooperative NQDC benefit plan participants and the plan balances for accounts funded through Homestead Funds.

Individual participants with accounts funded through Homestead Funds can view their individual plan assets at www.homesteadfunds.com through the 'Log In' button of the main webpage.

Return your completed form by email to deferredcomp@homesteadadvisers.com.

Online credentials are usually established within 3 business days. Credentialed users will receive an email with log in instructions once they have been approved to access the site.
